

## **2023 Straight Arrow Bow Hunters RV Camping for Western Classic**

Reservations will open January 14<sup>th</sup>, please call Leslie Gilleland @ 530-710-3197. If I'm on the line with another reservation leave a message, I will contact back in order of contact.

You must be registered for the Western Classic Trail Shoot to reserve camping. One spot max reserved per person; you will be required to give us your RV license plate.

No electrical or sewer is available. This is dry camping. Porta Potties will be provided. Water is available to fill your tank but not to remain connected to RV. You may bring in your RV as early as April 1, 2023. Must remove RV by May 9, 2023.

Max RV length is noted on map. Park within space and only **one** vehicle allowed per space. If you have additional vehicle/occupants please have them park in designated vehicle parking areas.

One Parking permit will be issued per campsite; please display in vehicle.

Please clean up your space of trash and if you dig holes to level your RV, please fill in and return site to original condition.

Dogs welcome, however they need to be on a leash at all times when they are out of the RV. Note: (This does not mean that the dog can have the leash attached to their collar while they continue to run around the camping area. ) Pick up after your dog.

Quiet hours are 10PM to 6AM, please be respectful of fellow archers/campers.

If you cannot or do not wish to follow these very simple rules, please do not Reserve a camping spot on the range.
